You are hereby authorized to disclose and / or furnish my Attorney / Insurance Co. \_\_\_\_\_ any and all medical information, records, and bills in your possession, (including any and all medical information, records and bills originating from any other health care provider), which they request in reference to any illnesses and injuries suffered by including but not limited to the injuries which were sustained on \_\_\_\_\_. I understand that this in no way relieves me of my personal primary obligation to pay for such services and that the signing of this form does not prohibit customary billing by you. All bills shall be paid promptly in the usual manner.

It is further understood that the statute of limitations in this state is three (3) years from the time said services were last performed and I further understand that because of long delays in trial dockets, many cases are not tried or settled until a date which is beyond the three (3) years after the last service was performed. In view of this, I hereby agree that the statute of limitation with respect to any claim for services mentioned above will not begin to run until there is a denial in writing by us of any balance claimed to be due and owing to you by me.

## **PAYMENT RESPONSIBILITY**

I understand that I have a personal and primary obligation to pay for all medical services when rendered and I agree to pay all bills promptly. I further understand that although J. Richard Lilly, M.D. & Associates may submit a bill to my insurance company for payment as a service to me, that service does not relieve me of my personal responsibility to ensure that the insurance company makes payment according to the terms of my policy. I am aware that insurance payment / reimbursement may not cover the total balance due for the medical services I received. I agree to pay any outstanding balance on my account. I also agree to pay any and all legal expenses and fees incurred for the purpose of collecting payment for an outstanding balance on my account, if such action is deemed necessary. In addition, I agree to pay interest (at 1 ½ % per month) on my outstanding account balance if this balance extends beyond thirty (30) days of receipt of my bill. I agree to pay any additional fees and / or costs incurred in order to collect payments on my account if the balance is outstanding beyond one hundred and twenty (120) days including all legal and court costs on my account(s). I waive my rights under Maryland's statue of limitation should reconciliation of my account extend beyond three (3) years from the date of service.

Please be advised that we have found that most insurance carriers have limited or no benefits for durable medical equipment (slings, braces, etc.), therefore we must collect from you the fee for the equipment at the time of service. Custom made braces are partially covered by some insurance carriers. At the time of measuring you for the custom made brace, we will contact your insurance carrier to verify coverage and give you an estimate of our responsibility. Thank you for your cooperation. \_\_\_\_\_

## FINANCIAL POLICY

The following information is provided to avoid any misunderstanding or disagreement concerning payment for professional services.

- Prompt payment allows us to control costs. Outstanding accounts cost both of us time and money; therefore, all patients will be required to establish financial arrangements for payment of their account either through an attorney, responsible insurance company, or payment directly from the patient at the time of service.
- All patient accounts are due and payable within 30 days of services rendered. As a courtesy our practice will establish a reasonable monthly payment plan to accommodate your needs or bill the insurance company you provide information on, as the responsible party for your injury. If payment from this company is not paid within 30 days, you, the patient, will be responsible and billed for such services. It is in your best interest to assist this office in getting payment directly from the insurance company or providers, so that out-of-pocket expenses are limited. If an attorney represents you, please give this office that information and an assignment agreement will be made with the attorney to have bills paid at the time of settlement.
- It should be mentioned that your insurance coverage is an agreement between you and your auto insurer, your employers WCC carrier, or the insurance carrier of the place where you were injured. It is your responsibility to remit payment for charges not covered by your claim. You will be required to pay for services at the time of visit or establish written financial agreements with our practice until your insurance problem is resolved.
- Each month you will receive a monthly statement for services which is due and payable within 30 days. If you are experiencing a set of circumstances out of your control, please call our practice and we will be happy to make special arrangements.
- All patients refusing to remit payment after 60 days of notice without pending insurance or a financial agreement will force us to limit their future credit until the previous balance is paid in full or written financial arrangements are accomplished. All patients will be required to sign a written legal agreement with our practice to alleviate any current delinquency.
- Please notify us immediately if a mistake appears on the statement.
- Our practice firmly believes that a good doctor / patient relationship is based upon understanding and open communications. I have instructed our staff to make every effort available to you to clarify any misunderstanding you may have concerning your balance. We hope to possibly avoid any disagreement over payment for professional services. If you have any questions concerning our policy or need assistance, please contact us immediately.

Thank you,  
Administrative Staff
